

HUSQVARNA SUPER FLEET HOW DOES IT WORK???

Customers qualify for a Super Fleet Program discount when their purchase totals a minimum of 6 points on one single purchase.

Once a total of 6 points is achieved on one single purchase, qualifying product is then discounted 20% off of Power Price.

Points are accumulated based on the units purchased, in any combination of qualifying product, as shown on the reverse side of this sheet.

Example below shows how the discount is calculated.
